This manual includes general information regarding the event, however there will be specific instructions for the operation of this event under COVIDSafe conditions that will affect all event operations. Exhibitors can view our [COVIDSafe Information Guide](#) by clicking the link. It will be your responsibility to ensure that all staff are aware of, and abide by the state government requirements in place at the time of the event.

To assist you in preparation here are some things you can place as part of the COVID Safety Plan:

SELECTING YOUR BOOTH SET-UP

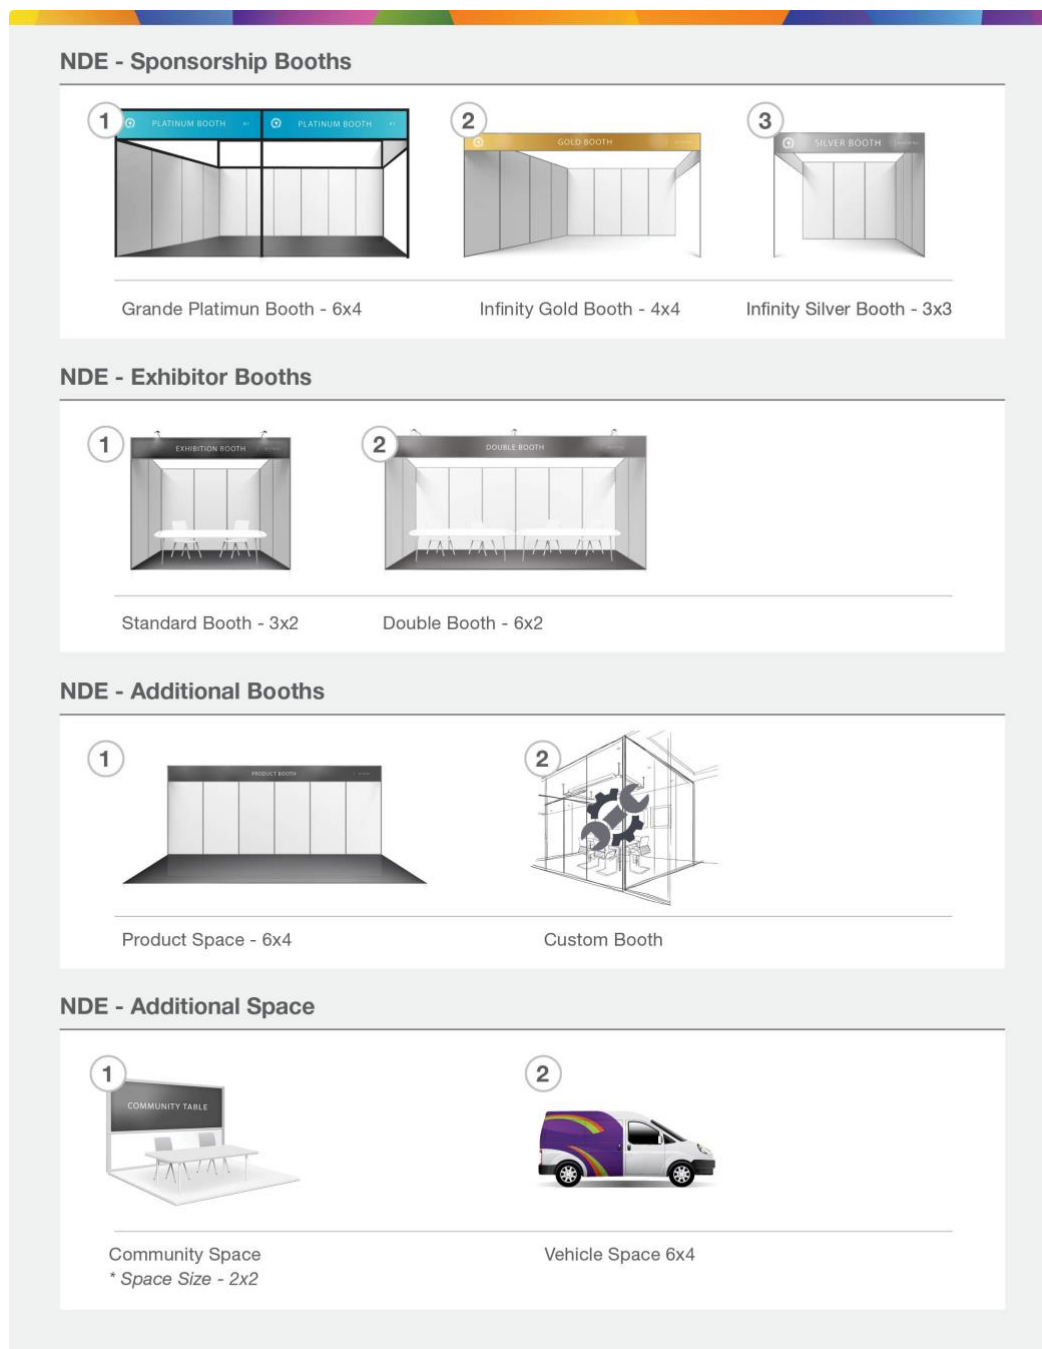

Figure 2: Selection of booth or vehicle options

Each Individual booth set up will vary depending on the type of exhibitor booth you have selected. The full range of exhibitor booths available and a list detailing all the items included for each selection can be found via the website – <http://www.nepeandisabilityexpo.com.au/>

We strongly recommend exhibitors maximise their booth and presence at the expo by considering the 5 steps detailed in the ‘How to Maximise you booth and Presence’.

MAXIMISE YOUR BOOTH & PRESENCE

Plan

- Ensure you are completely ready and prepared for the two-day event.
- Keep in mind the size of your booth when preparing furniture and signage.
- Don't run out of promotional material – and proofread everything.
- Keep your booth focused and consistently branded across all items. Utilise the **upgrades** and design team available on **ExpoNet**.
- Highlight your product or brand and think of ways to make it stand out.
- Offer easy-to-use lead forms (digital is preferable), seating for attendees, and something to keep children entertained.
- Plan and document your move-in and daily schedules so that all staff know what is expected and nothing is missed. Make up a survival kit of pens, paper, chargers etc.

Design

- Use high-quality imagery. Let the professionals do their job – with your guidance.
- Keep the booth bright, simple and clean.
- Don't clutter the booth with too much content or distractions.
- Tell attendees what you do in the simplest way possible.
- Visualise how people will engage and view your booth and how it represents your brand, service or product.

Engage

- Smile and be as inviting and friendly as possible without being intrusive.
- Make them remember you. Branded merchandise that people can take with them is always a great idea.
- Know your pitch, your organisation and how to answer difficult questions. Prepare a communication plan.

Customer Experience

- Use social media as a medium for sharing what is happening at your booth in real-time & pre-expo.
- Serious clients do not want to wait for too long for information. When you have a client literally waiting for you, capitalise on that opportunity by having simple and effective Info or booking sheets ready to send.

Follow up

- Ensure you follow up with all contacts made during the Expo by email, phone and social media, preferably whilst at the Expo or immediately after.

EXHIBITOR BEST BOOTH

We value the huge amount of time, thought and effort that exhibitors put in setting up and managing their booth at our Expo's. As the organiser of the event, we have initiated the Best Booth Competition to reward the exhibitors and encourage continuous improvement. There are two types of votes cast on the Friday and Saturday of our expo:

1. As voted by Exhibitors
2. As voted by Attendees

Rules:

1 – As voted by Exhibitors: Exhibitors are asked to vote for who they think has not only the best booth visually but also, the best attendee engagement. Exhibitors are NOT permitted to vote for their own booth. This vote opens at 9am and closes at 3pm on Friday and the reward is handed out to the winner at Friday's Network Function.

2 – As voted by Attendees: Attendees are asked to vote for the Exhibitor that they feel has the most engaging and visually stimulating booth. Attendees can only vote once. This vote opens at 9am on Friday and closes midnight on Sunday however, two separate awards are selected. The first winner is selected on Friday, with the award being handed out at Friday's Network Function. The second winner is selected after the voting closes on the Sunday after the event.

Prize:

Winners of the Best Booth will receive **\$ 250 discount off** their next booking in our expos. The same exhibitor can only receive one reward in the competition. A representative of the winner must be present at Friday's Network Function to receive the reward, in absence of the winner, the next exhibitor in role will be given the reward.

Please see an *Example of the Best Booth Voting Poster* below:

The Mebourne Disability Expo will operate with best practice control and management processes that ensure our event remains a safe environment.

COVID safe practices remain in place and the COVID-19 situation will continue to be monitored and risk management responses adjusted accordingly.

Exhibitors will now have to nominate one **COVIDSafe Marshall** per shift to be responsible in assuring exhibitor booth staff adhere to all COVIDSafe guidelines, such as the number of people permitted per booth, maintaining booth cleanliness and hygiene etc. Should the nominated COVIDSafe Marshall be unable to attend a shift, then that person is permitted to deputise the role to a colleague and as such, delegate ALL responsibilities of the COVIDSafe Marshall to the newly nominated staff member.

COVIDSafe Marshalls will be identified by an **ORANGE lanyard** which will be provided on the days of the event. One staff member per booth **MUST** wear this orange lanyard during the event.
